## **SCHOOL-PARENT-STUDENT COMPACT**

At Martin Elementary School, we are committed to working together to provide a quality learning environment in which all children can learn and develop. It is our view that as teachers, parents, and students, we have the responsibility and opportunity to build a partnership in enabling children to achieve high academic standards. Because of this view, we the undersigned enter into this compact together.

As a teacher, I will show respect for each child and his/her family, believing that each student can learn. I will create an atmosphere that will encourage regular school attendance and on-time arrival. I will come to class prepared to teach, providing an environment conducive to learning that will help each child become the best student possible. I will make sure homework activities are meaningful and appropriate. I will enforce school and classroom rules fairly and consistently. I will maintain open lines of communication with students and parents. I will demonstrate professional behavior and a positive attitude with students and parents. I will seek ways to help parents be involved at Martin Elementary School and their child's learning process.

As a Parent, I will see that my child attends school regularly and arrives on time. I will provide a home environment that encourages my child to learn. I will be involved with my child and homework assignments. I will make every effort to communicate regularly with my child's teachers. I will make efforts to participate in my child's school activities. I will expect and encourage my child to follow school and bus rules. I will show respect and support for my child, the teacher, and Martin Elementary School.

As a Student, I believe that I can and will learn. I will come to school on a regular basis, on time and be prepared with my homework, projects, and supplies. I will do my best in my schoolwork and my behavior. I will work cooperatively with my classmates, showing respect for myself, other people, and Martin Elementary School. I believe it is important for me to obey all school and bus rules. With doing these things, I can take pride in myself and my school, Martin Elementary School.
